Description

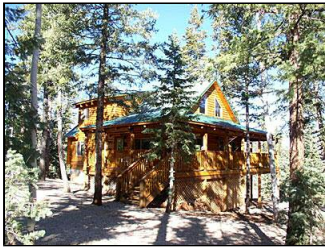

Custom Chalet style large Log home built in 2000. Nestled in its' very own forest of Pine and Aspen tree's, level and useable and on a quiet cul~de~sac. Plenty of RV parking. Several cords of firewood to last a few winters. Three levels with approx. 2650 sq ft. Three bedrooms, three baths. The loft is used for the master bedroom, very private with its' own lovely large bath, walk in shower, garden tub, walk in closet. Custom log trim & knotty oak cabinetry is thru~out the cabin. The gorgeous kitchen is equipped with stainless steel appliances, including a dishwasher. Large center island with bar, open to the dining and living room. All of the furnishings are included and most of the decor. Incredible covered deck that surrounds three sides of the home. Newer Honda snowblower. Wood burning stove, interior propane wall heaters. Custom window coverings. The downstairs is partially finished, use as more living space or as a garage/ shop / game room.
